4 of 4 people found the following review helpful. Informative and Entertaining
*By felixfresh**Just purchased this book and read it cover to cover. Very well written and informative. Writer's positive outlook and tips on breaking into the industry are spot on. Buy this book if you are looking to get into the industry or are in the process of interviewing for ANY job....great tips and suggestions!!*
0 of 0 people found the following review helpful. D You will learn much and enjoy it!
*By Jimmy Chua**Now I learn secrets about the Pharmaceutical Industry without me knowing before reading this book! :D You will learn much and enjoy it!*

Have you been thinking about a career change? Begin a career with the potential to make more money with the opportunity for career advancement. Becoming a pharmaceutical representative can offer you these advantages and many more. The industry is changing and the opportunities are out there for first time representatives. The ability to present yourself in a confident manner and conquering the interview process are only a few of the secret details to winning the job that are presented in this b ...
